

SPAIN'S LARGEST B2B!

Barcelona, Spain is the social cannabis use capital of the world. Home to hundreds of cannabis lounges and clubs, Barcelona's cannabis community and consumer experience is unique in every way.

The city's rich cannabis history and culture makes it once again the perfect backdrop to the International Cannabis Business Conference B2B trade show, taking place 9 March 2023.

L'AUDITORI DE CORNELLÀ

Not all networking opportunities are created equal, and that is particularly true in the cannabis space. International Cannabis Business Conference events are attended by cannabis leaders from dozens of different countries, with the Barcelona B2B trade show serving as the first major international cannabis event of its type for 2023. The conference itself will be held at the historic L'Auditori de Cornellà, with the after-party being held at the Hotel Arts Barcelona. If you want to network with the best in the cannabis space, our B2B trade show in Barcelona is a must-attend.
