## SEEK & INVEST CAPITAL

The Talman Global Investment Forum is first and foremost an exclusive network. This network provides access to insider market info, capital investors, and exciting growth companies in the cannabis market. We host a series of investor summits to bring together international investors with companies looking for capital, and we provide a forum for exchange in the key areas that the market needs most – real data and available capital.

The Forum will be held at the iconic Hotel Adlon Kempinski Berlin, is investor focused and serves as the number one place for intimate industry education and networking. Rather than flying all over the planet trying to fit meetings into shifting schedules and other travel plans, people who are serious about succeeding in the emerging international cannabis industry should attend the Talman Global Investment Forum in Berlin in April.

## THE ULTIMATE FORUM FOR NETWORKING

Networking is vital to succeeding in nearly every industry, and that is particularly true of the cannabis industry. As the legal industry continues its march across the globe it will become increasingly important to be in the right place at the right time, as it could literally mean the difference between success and failure.

The Talman Global Investment Forum in Berlin on April 15th is the ideal time and place to meet and network with cannabis leaders from all over the planet. Europe is currently the most exciting place for cannabis policy modernization efforts and emerging cannabis industry opportunities, with Germany expected to pass a legalization measure in April, making it the perfect backdrop for the Talman Global Investment Forum.

## TALMAN VIP RECEPTION

Network the VIP Reception at the exclusive Adlon Terrace in the shadow of the iconic Brandenburg Gate.

## UNPARALLELED ACCESS

The Talman Global Investment Forum is an exclusive network that focuses on research and development, consulting, advocacy, and finance. The Talman network provides access to vital market info, capital investors, and exciting cutting-edge growth companies in the legal global cannabis market.

Additionally, the Talman Group network provides unparalleled access to opportunities in emerging areas of science as well as research and development, which are some of the fastest-growing sectors in the cannabis space.

The Talman Global Investment Forum in Berlin, which will be held at the iconic Hotel Adlon Kempinski Berlin, is investor focused and serves as the number one place for intimate industry education and networking.
